

## **Smoke and Tobacco Free**

Created: August 17, 2018

Revised: January 17, 2023

The Owen County Public Library is dedicated to providing a welcoming, healthy, and safe environment for its patrons and staff. Due to the acknowledged hazards of the effects of secondhand smoke, the library's facilities are designated as "smoke free".

The use of any tobacco products or devices that produce smoke/vapor is prohibited by employees, patrons, vendors and contractors inside the building and library owned vehicles.

A tobacco product or device is classified as: All forms of tobacco, including but not limited to cigarettes, cigars, pipes, water pipers (hookahs), electronic cigarettes (vaporizers), and smokeless tobacco products. Nicotine Replacement Therapy (NRT) products approved by the Federal Drug Administration (FDA) are not considered a tobacco product.
