If the COVID-19 pandemic has left you without a job, and you are struggling to find work because you lack a high school diploma or industry training, **Owen County GED Connection** adult education program can help you get the skills you need for a new job – one you can support a family on.

**Grant County GED** adult education programs currently are providing instruction **both online and in person**. CDC guidelines and sanitation protocols are in place for in-person instruction to ensure a safe learning environment.

### How Can I Move Ahead with Adult Ed?

Adult education programs offer you an onramp to a better job and a college education. You can start with basic classes in reading and math and move on to a class that prepares you to earn your high school equivalency and then into a career training program. If you already have your high school diploma or equivalency, you can go right into one of our career training programs.

We offer the following industry-training programs:

**Healthcare:** Nursing Assistant, Phlebotomy, EMT  
**Advanced Manufacturing:** Welding, Exploratory Machining  
**Computer Information Technology:** A+ Prep, Computer Tech Basics  
**Transportation:** CDL, Brake Repair, Automatic Transmission, etc.  
**Construction Trades:** Plumbers Helper, Environmental Systems Repair Helper

### Why Adult Education?

**\$9,620**

How much more a  
person

with a high school diploma or  
equivalent earns, on average,  
than a non-graduate.

**53%**

The percentage increase in income over  
10 years for individuals who have a high  
school diploma or equivalency.

**63%**

The percentage of all U.S. jobs that  
require at least a high school diploma.

**73%**

The percentage of adults who  
attained a high school equivalency  
(HSE) or another indicator of high  
school completion after participating  
in federally funded HSE programs  
and taking all the HSE subtests.<sup>1</sup>

**43,000,000**

The number of working-age adults in  
the U.S. who lack the skills needed for  
many of the nation's fastest-growing  
and highest-paying jobs.<sup>2</sup>

**22,000,000**

The number of adults in the U.S.  
without a high school diploma.<sup>3</sup>
